ADDITIONAL STATEMENTS

REAUTHORIZATION OF THE CORPORATION FOR NATIONAL SERVICE

• Mr. REED. Mr. President, the New England Governors recently passed a resolution calling on Congress to adopt legislation to reauthorize the Corporation for National Service this year.

As a strong supporter of national and community service, I am heartened by the New England Governors' enthusiasm for AmeriCorps, the National Senior Service Corps, the Learn and Serve program, and other Corporation for National Service initiatives. It is my hope that the Corporation for National Service reauthorization legislation will be considered by the Senate this year.

Mr. President, I ask that the New England Governors' resolution be printed in the RECORD.

The resolution follows:

RESOLUTION NO. 140

Whereas, the citizens of New England have benefited in a variety of ways from the important contribution made by the service programs of the Corporation for National

Service in partnership with the states of the region; and

Whereas, New England states have profited from the power and promise of citizen service and traditional volunteers through the efforts of 90,000 New Englanders who serve our states each day through AmeriCorps, Learn and Serve America, and the National Senior Service Corps programs of the Corporation for National Service; and

Whereas, New England states have been assisted by the Corporation for National Service programs that use service as a strategy to improve the quality of life in the region; and

Whereas, AmeriCorps members and National Senior Service Corps volunteers have improved education achievement, enhanced our environment, made our neighborhoods safer, and addressed other human needs; and

Whereas, the students in Learn and Serve America have been afforded the opportunity to serve their communities and reflect on the meaning of that service; and

Whereas, AmeriCorps and the other programs supported by the Corporation for National Service have provided critical resources to our states; and

Whereas, the proposed reauthorization legislation, entitled the National and Community Service Amendments Act of 1998 will devolve more authority and greater flexibility to states in the implementation of programs funded by the Corporation for National Service; and

Whereas, the existing distribution of AmeriCorps grant funds, two-thirds for AmeriCorps State and one-third for AmeriCorps National, is retained in the proposed legislation; and

Whereas, New England has benefited substantially from the law's existing allocation of state funds which redistribute one-half through formula and one-half through national competition; Now, therefore, be it *Resolved*, That the Governors of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont, through their New England Governors' Conference, Inc., urge their respective Congressional delegations and the Congress to support the National Community Service Amendments Act of 1998, reauthorizing the Corporation for National Service, to support the bill's devolution provisions that add authority and flexibility to states and state commissions, to support the bill's directives that AmeriCorps State funds provide Governor-appointed state commissions more control over program selection, and particularly to support the bill's continuation of the existing 50/50 state funds distribution division between formula and nationally competitive AmeriCorps grant funds.

Adoption certified by the New England Governors' Conference, Inc. on February 24, 1998. •
